Citation Information List

The Citation Information List is designed to be used in conjunction with the ASBOA Model Records Retention Schedule Guideline and the Information Management Toolkit. Legal citations appear as a numbered code in the Schedule under the 'Legal Citation' column. The numbered code is described in detail in the List, including a hyperlink to the legal resource.

The Citation Information List was reviewed by Stuart Rennie, Lawyer & Records Management Consultant (stuart@stuartrennie.ca).

Glossary

This glossary is designed for use in school boards in the Province of Alberta and draws on nationally and internationally recognized sources of best practice. The glossary is not a comprehensive listing of all terms used in records management. Terms chosen are those used in Alberta school boards and the definitions reflect this usage. The list is a compilation from PIM, Alberta Education, 2015/16 Funding Manual, ASBOA, and the Work Group.
